Feedback analysis report for the year 2018-19

Analysis of feedback taken from various stakeholders plays an important role in enhancing the quality of the higher education institution. The opinions and suggestions given by the stake holders are actual inputs for the developmental work of the college. The opinion given by the students, parents and alumni will be considered for continuous improvement of existing system. We are effectively practicing the method of obtaining feedback both by formal and informal methods. We have obtained the feedback from students, parents and alumni members in the prescribed format as per NAAC guidelines.

The aspects covered in our feedback analysis system are

- Curriculum aspects
- Teaching-Learning and evaluation methods
- Facilities available in the college
- Administrative reforms
- Involvement of teaching and non teaching staff

The informal opinions and the feedback forms collected are analyzed by senior staff members and brought to the notice of principal. The report of feedback is then discussed in the staff meeting. Teachers being BOS & BOE members are informed to bring the matter to the notice of the chairman in the meeting orally which may be used while revising the syllabus. Teachers are informed to consider the opinion of the students, parents and alumni positively and updated themselves in accordance with the needs of changing time.
